

CONNECTING FOR a BETTER COMMUNITY...

Let's.....

Support Each Other

Be a person who cares, listens, appreciates and accepts others.

Value Everyone

Everyone needs to feel valued and valuable.

Encourage Others

*Adopt clear rules and consistent consequences.
Offer encouragement for others to be and do their best.*

Develop New Skills

Create opportunities throughout the community to develop new skills and interests between youth and adults.

Invest in Lifelong Learning

Develop and value the importance of lifelong learning.

Build Social Skills

*Develop skills to interact effectively with others and to make appropriate decisions.
Learn to adapt to new situations.*

Model Positive Choices

Establish strong guiding principals to make positive choices.

Believe in Ourselves

Believe in your own self-worth and ability to make good things happen.

Who will YOU connect with today?
